10 DAY ONLINE WORKSHOP ON MODI SCRIPT

By

Shri. Mandar Lawate - Trustee, Bharat Itihas Samshodhak Mandal (BISM), Pune & Expert Faculty for Modi Script in BISM (since 2008)

The Modi alphabet was invented during the 17th century to write the Marathi language of Maharashtra. It is a variant of the Devanāgarī alphabet and was used until 1950. Presently there is a need to revive the use of the Modi script, as a lot of historical legal documents are found to be written in this script. This workshop will enable one to decipher the script. The workshop being online is a good opportunity for people outside Maharashtra to learn the Modi alphabets. Please note, basic knowledge of Marathi language (spoken/ written) is desirable for anybody aspiring to join this workshop.

Workshop Dates: 2nd – 12th November 2020; Time: 6:30 pm – 7:30 pm (daily)

Note: The workshop is FREE. However, prior registration is COMPULSORY. Certificates shall be given to all participants on completion of the workshop.
