Corrigendum

The tender opening committee for digitization work of NMM met on 20.03.2019 to examine the issue relating to mentioning remarks “yes, but debarred by RORI, Raj-Com and Bikaner Archives department” in the column relating to “the tender should not have never blacklisted or debarred” of comparative statement of eligibility criteria.

It was found that the tender of **M/S Ninestars InformationTechnologies Pvt. Ltd.** was not considered due to “Poor performance of work reported by State Govt. Department/Corporation” in terms of clause no(1) of the tender document.

It was decided that narrative “Yes, but debarred by RORI, Raj-Com and Bikaner Archives Department” may be replaced by mentioning “Yes, but could not be considered due to poor performance of work”.
